Boss' Babble

Greetings,

I would like to thank John and Yuko Hodgins for a great muster in December. We had a wonderful visit together. I missed everyone who could not attend but..I hope to see you in 2012!

Thank you for the past two years as your President. I wish all the best for our incoming officers and I look forward to another great SMART Tarheel year in 2012!!

Fort Fisher, again?

It seems all agree – we return to Fort Fisher April 16-20, 2012! With the Atlantic on one side and the Cape Fear (River) on the other, we have water galore for fishing, surfing or (brrrr) even swimming, plus walking areas and trails for landlubbers.

For your planning purposes, the 2012 NC Azalea Festival  www.ncazaleafestival.org is April 11-15. You may want to arrive early. Please call Sonja Termote at 910-458-6299. Let her know that you are with the SMART Tarheels. We have 16 campsites and you have until April 6 to make your reservations. After that date, Fort Fisher will release unclaimed sites to other campers.
